

Keystone Villa at Douglassville

Keystone Villa at Douglassville is the perfect place for seniors to call home. With three levels of care – Independent Living, Personal and Memory Care – our vibrant and welcoming community provides the perfect balance of independence and support, allowing residents to enjoy autonomy while having access to compassionate caregivers, if and when, they are needed.

Keystone Villa provides one simple monthly rate that covers everything – meals, housekeeping, utilities, transportation, wellness programs, and enriching activities – allowing residents to enjoy a worry-free lifestyle with no buy-ins, hidden fees or unexpected costs. For those who qualify, our income-qualifying program offers a discount on rent, making senior living even more accessible.

Retirement living at Keystone Villa is designed with comfort and peace of mind, giving seniors freedom from home maintenance so they can focus on their physical, mental, and spiritual well-being. Our enriching activities, comprehensive wellness programs, and welcoming social environment promote vitality and meaningful connections within our community.

In Daybreak, our specialized memory care neighborhood, families find solace in our positive approach methodologies developed by renowned dementia-care specialist Teepa Snow. Guided by her teachings, our care team focuses on our residents' current abilities rather than what has been lost, fostering happy, purposeful moments in their daily interactions.
