SPECK'S: Not a Fad

Serving the area since 1953, Speck's is a mainstay in the community and not just a fad! Their menu offers many **Fast**, **Affordable**, **Delicious** meal options for individuals, families or groups. Broasted chicken by the piece, in dinner combos, or large buckets are popular choices, but the broad menu includes a wide variety of sandwiches, soups, salads, kid's meals, and seafood. It's a great choice for a quick meal, a family dinner, tailgating, business meetings, and parties. Eat-in or take-out, you can't go wrong! Now, you can get your feast even faster through online ordering for pickup via specks.dine.online, or delivery through GrubHub or DoorDash.

Since its inception, Speck's has always given back to the community through sports sponsorships, school events, basket fundraisers, church bazaars, feeding the impoverished, and various charities. As a result, many people have been concerned how the upcoming PennDOT project to realign Ridge Pike will impact Speck's. A few businesses have already closed or relocated due to eminent domain claiming their property. Speck's will remain at its location, but changes to its entrances and

parking lot design will occur because of the construction. It will be a long, complicated project and customer support for Speck's and all the businesses along the construction zone will be crucial to ensure their survival. Support our local businesses to keep them all as community staples!
