

# Schuylkill Valley Sports Partners with Target's New Marketplace Target+

Target has recently announced the launch of their new expanded website Target+, which will welcome third-party sellers to its website, offering shoppers a wider array of products in certain categories, including sports equipment & sneakers.

Although there are similarities to Amazon & Walmart websites, Target.com will offer a more selective assortment. Unlike Amazon, where sellers can register to sell on the site, the ability to sell on Target.com is by invite only.

Schuylkill Valley Sports is one of Target's select specialty retail partners representing multiple sports departments. SVS was honored to be the **FIRST** retailer chosen by Target for their new Target+ marketplace!

Target+ shoppers will be able to get the five percent discount that comes with using a Target Red Card to make purchases on the site. They can also return items to one of Target's brick & mortar locations.
