Speck's Drive-In

Speck's Drive-In, located at 3969 Ridge Pike in Collegeville, was recognized by Perkiomen Valley Chamber of Commerce last year as "Small Business of the Year." Speck's is a family owned restaurant that has served the community for over 50 years, employing many local youths, and teaching them through example the importance to serve and support their community and charities.

Speck acquired the property and began operating at dual locations. The Limerick location changed hands many times over the years, with the last change in 1997 which included the name. This was a welcome change to the rest of the Speck's legacy, as the two locations had diverged in both style and menu.

The Collegeville location has remained in the family and many of Speck's children and their spouses are involved in various aspects of the operations. The restaurant is still renowned for its sandwiches, but the Broasted@ Chicken and homemade coleslaw are the primary draw. We pride ourselves on serving a delicious, fast, affordable meal and being a fun place to work too. Many generations of local teens have started their working experiences here, and many of them become regular customers with their children following on as employees.

Today, Speck's is a Collegeville landmark and often the first stop for people returning to the area. We invite you to stop by and try some today! "Chicken at its finest!" For additional information, please call 610.489.2110 and visit www.speckschicken.com.

Speck's won the Broaster Company "Golden Chicken Award" a few years ago. This award is presented annually by the company to a select operator that consistently produce a top-quality product and show exemplary merchandising skills.

In 1953, Stanley B. Landis, aka Speck, started the original Speck's Drive-In on Ridge Pike in Limerick, based on the idea of "Pipin' Hot Sandwiches" and good, affordable fast food. The home-grown business was a big success in the small community, long before the fast-food franchise bonanza that defines the American landscape today.

Several years later, The Big Pixie, located at Ridge and Germantown Pikes, suffered a fire.
