HERBEIN + COMPANY, INC. (HERBEIN) WINS CLEARLYRATED'S 2021 BEST OF ACCOUNTING DIAMOND AWARD FOR SERVICE EXCELLENCE

Diamond Award winners have won the Best of Accounting Award for at least five years in a row, consistently earning industry-leading satisfaction scores from their clients.

Herbein + Company, Inc., a leading Mid Atlantic regional accounting and consulting firm, recently announced that it has won the Best of Accounting Diamond Award for providing superior service to their clients for at least five (5) consecutive years. ClearlyRated's Best of Accounting® Award winners are proven industry leaders in service quality based entirely on ratings provided by their clients – and are twice as likely to be satisfied than those who work with non-winning firms.

Just 22 percent of the 2021 Best of Accounting winners earned the Diamond Award distinction.

Herbein + Company, Inc. received satisfaction scores of 9 or 10 out of 10 from 88.5% of its clients, significantly higher than the industry's average of 43 percent in 2020.

Additionally, Herbein received a Net Promoter® Score (NPS) of 85.2 percent from clients, significantly higher than the industry's average of 23 percent in 2020. On the NPS scale, any score above 70 is considered "world-class" – and Herbein is proud to have again earned this world-class Net Promoter Score following one of the most challenging years in history.

"Herbein team members share the view that our contributions matter – and that is how we help our clients succeed with confidence," said Herbein Managing Partner David W. Stonesifer, CPA.

"Our team is inspired to be our best and do our best in providing exceptional client service. We are proud and honored to be a ClearlyRated Diamond Award winner, which recognizes our capacity to be agile on behalf of our clients, which has never been more important."
