

LAUSCH'S MOVING CO

Lausch's Moving Company, specializing in residential and commercial moving, freight moves, packing material sales, packing service, and clean out services, has been operating in the Reading area since 1936. Recently, the company was acquired by Robert Spohn. A graduate of Reading High School, Spohn was born and raised in Reading and has a degree in graphic design.

Spohn had experience in the industry due to previous employment at Rent-A-Center and Aaron's Sales and Lease, so this opportunity was right up his alley, and he

felt very comfortable and confident taking over this business venture. He absolutely loves the business and loves meeting and taking care of customers by providing great customer service, easing their worries, and moving their memories and belongings into the next chapter of their lives.

Since acquiring the business, Spohn has created a positive and family type atmosphere at the office between himself and the team which is "super important to me," he said. "Taking care of our team is very important to me. We do a great job and have fun doing it."
