Uncle B's BBQ

"B" is Brian — The smoker, the creator, the chef, the uncle... the man!

Born and bred in the true south, B came up in the homestyle kitchens of Florence, Alabama — on the banks of the Tennessee River — where he was educated in the fine art of meat smoking from a very young age. The northwestern region of Alabama is famous for their BBQ and, specifically, their Alabama White Sauce and a Southern Style Vinegar Sauce.

B left Alabama in his early twenties. Manufacturing, his first career brought him to various areas of the country. Through the years, B collected experience and recipes cooking in kitchens throughout the South, (from Texas to Florida, the Carolinas and Virginia) continually perfecting his signature style. Eventually, B found himself changing careers and working in the restaurant world. Which brought him up north, where he met Beth. The two fell in love with Phoenixville while B's family was living in the area. They moved to Phoenixville in 2011.

In 2013, B went out on a limb, put his delicious knowledge to practice and bought and old oil tank smoker. Starting out roadside, B soon became a local favorite. The community supported and embraced the B spirit. And B loved it right back. B had a few stops before landing at 425 Bridge Street near his home. Soon after starting up roadside, B moved to sharing a kitchen in Eland Downe (the Old Epicurean – then Fenice Creolo). Other stops included setting up at Stable 12, finding his first home next to Rita's on Schuylkill Road. From Sunday Football to the annual Egg Hunt and of course Dogwood and Firebird Festivals, B has become a local staple! Being here in downtown Phoenixville is fitting. B has now settled in at home.

UNCLE B's Real Deal Southern-Style Bar-B-Q – now located at 425 Bridge Street in Phoenixville — is a place you'll feel at home, like part of the family. And the food is so good, you will Just Say Uncle.
