## Reppert's Candy Growing

Reppert's Candy grew last year with the help of Longacre Electric and Victory Bank. They installed new machines and have expanded their workforce. This will allow them to expand their wholesale offerings and they now sell their product in 40 USA states wholesale. They are currently looking at greatly expanding their current business into a national supplier for finished Chocolates.

Reppert's Candy recently expanded its manufacturing with a new German chocolate molding line. The new equipment arrived this summer from Germany and Italy after a delay due to Covid. This manufacturing will take place in Oley and will be only high-quality chocolates. Operating out of a 12,000 square foot facility in Oley Township, Reppert's Candy offers more than 65 varieties of candy and approximately 200 different style chocolate molds.
