

North Montco Technical Career Center Hosts Open House

If you have a child in either the Methacton, North Penn, Perkiomen Valley, Souderton, or Wissahickon School District who is interested in learning more about exciting career pathways, you should attend North Montco Technical Career Center's open house scheduled Thursday, February 6 from 5:30PM to 7:30PM (snow date is February 20).

During the event:

- Speak with representatives from businesses and post-secondary schools to learn more about advanced manufacturing opportunities in today's job market to guide your child to sustainable employment.
- Visit the 22 technical programs offered for more information about the programs and industry recognized certifications students can earn.
- Learn more from business and industry representatives about the benefits of attending a career and technical center.

• Learn about North Montco's evening Adult Continuing Education programs that can prepare you for your next job opportunity.

The educational experience at North Montco Technical Career Center extends beyond the classroom. Competitions, community service, field trips, guest speakers, and cooperative work experience provide students with valuable opportunities and expose students to various career and possible career connections. North Montco Technical Career center is a great place to learn and explore a career before entering college, a technical school or the workforce.
