JANUARY IS HOW TO START A BUSINESS MONTH AT SCORE TRICOUNTY

The Learning Center at SCORE Tri-County and Victory Bank will present three workshops on starting a business.

On January 16th "Simple Steps – A Road Map to Starting Your Business" will cover the basics of getting started in your own business, including validating your idea, reaching a Go; no Go decision and choosing the right form of business. The fundamental types of business plans, forecasting, financing options, marketing today and start-up record keeping will be presented in simple terms.

On January 27th there will be back to back workshops on obtaining a franchise and buying an existing business. The pros and cons of both will be presented along with the research that

must be done and questions that should be asked before deciding.

Since 1964, SCORE has helped more than 9 million aspiring entrepreneurs and small business owners through mentoring and business workshops. More than 10,000 volunteer business counselors in over 350 chapters serve their communities through entrepreneurial education dedicated to the formation, growth and success of small businesses.

Please visit tricounty.score.org/workshops/ for more information and to register for these workshops.
