H & F Tire Service

As we move into the summer season, it's probably time to get those late vacation travel plans ready. H & F Tire Service can help make sure your vehicle and its tires are ready, too. A car tire has to carry more than 50 times its own weight and steer the vehicle in a straight path regardless of road and weather conditions. It also must absorb bumps on uneven road surfaces and provide a stable ride for you and your passengers. Tires transmit the engine's power to accelerate and the braking force to stop. How well your tires perform these functions depends in part on the quality of the tires and how well they are maintained.

Let H & F Tire Service check your tires' inflation, alignment and determine if any need replaced. In the long run, cheap tires won't save you money. They don't last as long as higher quality tires and may result in a rougher ride and inferior handling. Your goal in tire shopping should be to find the highest quality tire that meets your specific need and budget. H & F Tire Service carries 13 brands including Bridgestone, Firestone, Goodyear, Michelin, B.F. Goodrich. Let our tire professionals help you maintain your tires and choose the right tire for your vehicle. Check us out at any of our five locations: Pottstown, Lancaster Ephrata, Reading, and Hanover, or on the web at www.hftire.com.

Speck's Drive-In

Speck's Drive-In, located at 3969 Ridge Pike in Collegeville, was recognized by Perkiomen Valley Chamber of Commerce last year as "Small Business of the Year." Speck's is a family owned restaurant that has served the community for over 50 years, employing many local youths, and teaching them through example the importance to serve and support their community and charities.

Speck's won the Broaster Company "Golden Chicken Award" a few years ago. This award is presented annually by the company to a select operator that consistently produce a top-quality product and show exemplary merchandising skills.

In 1953, Stanley B. Landis, aka Speck, started the original Speck's Drive-In on Ridge Pike in Limerick, based on the idea of "Pipin' Hot Sandwiches" and good, affordable fast food. The home-grown business was a big success in the small community, long before the fast-food franchise bonanza that defines the American landscape today.

Several years later, The Big Pixie, located at Ridge and Germantown Pikes, suffered a fire. Speck acquired the property and began operating at dual locations. The Limerick location changed hands many times over the years, with the last change in 1997 which included the name. This was a welcome change to the rest of the Speck's legacy, as the two locations had diverged in both style and menu.

The Collegeville location has remained in the family and many of Speck's children and their spouses are involved in various aspects of the operations. The restaurant is still renowned for its sandwiches, but the Broasted® Chicken and homemade coleslaw are the primary draw. We pride ourselves on serving a delicious, fast, affordable meal and being a fun place to work too. Many generations of local teens have started their

working experiences here, and many of them become regular customers with their children following on as employees.

Today, Speck's is a Collegeville landmark and often the first stop for people returning to the area. We invite you to stop by and try some today! "Chicken at its finest!" For additional information, please call 610.489.2110 and visit www.speckschicken.com.
