# Tri County Home Health Celebrates 25 Years of Service

Tri County Home Health's skilled medical homecare services—ordered and overseen by your physician—include, but are not limited to:

- Registered Nurses available.
- Occupational, physical, and speech therapy services
- Medical social worker services
- Home health aide services
- Skilled nursing teaching
- Managing medications
- Education on a disease or condition
- Teaching healthy food choices
- Monitoring treatment progress
- Managing risk for falls

In addition, and to help keep you safer, we offer a FREE PERS monitor program to help patients who may be at risk for falls while on service.

In 2019, Tri County Home Health was recognized as an SHP Best "Superior Performer" for achieving an overall score that ranked above the top 20 percent in the SHP national average for each HCAHPS quality measure during the 2018 calendar year. We are proud to serve as a hard-working, quality-conscious organization that demonstrates dedication, compassion, and care for our patients on a daily basis.

Tri County Home Health can be reached 24/7 at 1.855.237.0195.
