## BUSINESS SPOTLIGHT

### Animal-Assisted Therapy, LLC

Social distancing is hard, but you're not alone. Compassionate, professional support is available through telehealth during this difficult time. Animal-Assisted Therapy, LLC, located at 152 E. High Street, Suite 440A, Pottstown, offers a wide range of counseling services, including: Online Counseling; Counseling Sessions with Therapy Dog; Healing from Addiction for Loved Ones; LGBTQ Affirming Counseling; Emotional Support Animal Evaluations; and Drug and Alcohol Evaluations.

"As an animal-assisted therapist, I lean on the healing power of nature and the mind-body connection to help you overcome anxiety and enhance self-compassion," explains Annalisa Smithson, MA, MEd, owner of Animal-Assisted Therapy, LLC. "Benji, my therapy assistant, helps me create a gentle, joyful atmosphere in the therapy room, where we can celebrate you and your desire to grow. His unconditional love and calm demeanor, as well as occasional bursts of puppy energy, bring a lightness and joy into the therapy room. He reminds us (me and my clients) to be kind to ourselves. He helps us believe that we deserve such kindness. Therapy, like life, is simply better with dogs."
