

BUSINESS SPOTLIGHT

FRANKLIN FLOORING inc.

Franklin Flooring, Inc. is a family-owned and operated company in business since 1995.

We have three generations of collective experience in all aspects of the commercial flooring business. We are a full service commercial flooring company located in Limerick Township, Montgomery County, Pennsylvania. We deliver high quality flooring services to the Tri-State region and also have a national reach, serving customers in Florida, Texas, Alabama, Virginia and more.

We strive to help the commercial flooring community by providing value-added time-tested flooring services. We are here to solve your flooring challenges. We provide estimating, procurement, logistics, storage, project management, occupied workspace installation and new construction installation as well as floor maintenance services.

Value Added Services:

- Multi-project programs for a single source of accountability and reporting
- Scheduling and Planning
- Technical Evaluations
- Installation Quality Management
- Quality Inspections
- Management of Inventory

Franklin Fibercare is a proactive maintenance service which helps keep your floor covering investment looking great. Your floor appearance means more than choosing the right cleaning method. Choosing the right products up-front weighs heavily on the overall performance of your floor covering. We work with you in choosing the best maintenance product(s) plan for your facility's needs. We assess your facility's layout, traffic patterns, hours of operation and develop recommendations for preventative care.

Our company also offers OWL . Occupied Work Space Logistics is a system of planning, coordination, communication, and installation designed to take the hassle out of renovating an occupied work environment for office space with cubicles. Franklin Flooring will work with you to update and revitalize your office space with minimal disruption and impact on your operation. Your renovation will be guided by one of our skilled and experienced Project Managers. We also provide a Project Plan and Color-Coded Phasing Plan tailored to meet your project's unique needs and goals.

Your facility's interiors are an investment in your business's brand. It shapes the identity of your business in the eyes of your customers, suppliers, and employees. It's where you spend most of your waking hours. Your space should be productive, safe, clean, comfortable, and project the image of your business.

Franklin Flooring is a reliable resource that is relationship-oriented and possesses the experience, and capabilities to provide the solutions that you have been looking for and has the integrity to stand behind them.

At Franklin Flooring, Inc. we believe that every individual is greatly affected and inspired by the environment that he or she occupies. From this idea, Franklin Interior Solutions was born. Our design team will listen to your needs and

challenges and work closely with you to transform your vision into reality.

You will be guided by your Account Manager through-out the entire renovation from the conception phase and space planning, through the coordination of wall finishes, flooring, furniture, window treatments, lighting, artwork, and accessories, to the final installation and finished work. This will not only save you time and resources but will create a beautifully coordinated interior. Our process is designed to eliminate the problems that arise so we can offer you a true turn-key result for your project.

We supply all the major manufacturers, and distributors:

Armico, Armstrong, Bentley, Chilewich, Daltile, Ecore, Forbo, Grastex, Interface, Johnsonite, Johnsonite Hardwood, J&J Invision, Karndean, Mannington, Masland, Mohawk, Milliken, Patcraft, Porcelanosa, Roppe, Tandus-Centiva, Tarkett, and Shaw, etc.

We handle all types of flooring products:

Ceramic, Hardwood, Broadloom, Powerbond, Carpet Tile, and Luxury Vinyl Tile

Our client base is Corporate, Hospital/Healthcare, Senior Living, Education (Public and Private) General Contractor, State Contract, Co-Stars, Property Management and Government.

We are fully insured and bonded.

Franklin Flooring, Inc. cares about the environment and the community. We donate annually to Habitat for Humanity-Montgomery County and we have helped divert 13.9 million pounds of carpet with our e-collect partners.

We strive to continually train our employees on industry knowledge on safety and sustainability standards.

In addition, we are members in Fuse Commercial Flooring Alliance. We are also members in IFMA, FCICA, Isnetworld and ABC (American Builders and Contractors).

We have a Design Center in our Limerick Office where we help consult on the best type of flooring for your environment and your esthetic taste. Our team of experienced Account Managers can also provide you with samples and estimating service at your business location.

Our company works everyday to deliver personal service and quality craftsmanship. Our mission is to provide our clients with a professionally managed project with quality flooring and an overall great experience.
