## BUSINESS PROFILE

### Hetrick Gardens

Gardening is essential. Hetrick Gardens, serving the tri-county area for over 30 years, can help you create a beautiful outdoor space at your home.

Have you been spending more time at home over the past few months? Don't let your outdoor space overwhelm you. Plan a few simple changes or DIY projects that will give you the benefit of fresh air and a sense of accomplishment. Whether you have a large yard or small patio, Hetrick Gardens can help you add living color to your space. Hetrick Gardens has a full inventory of trees, shrubs, perennials, annuals, and vegetable plants. Perhaps you're considering a landscape tune-up this season. Hetrick Gardens offers the supplies you'll need with a great selection of bulk mulches, topsoil, compost, gravels, and landscape stone available for pick-up and delivery. Hetrick Gardens is also an approved yard waste recycling center, providing an alternative to the addition of beneficially compostable product to landfills.

Hetrick Gardens also offers installation services for residential and commercial properties including design, planting, mulching, bed and plant maintenance, along with Spring and Fall clean-up. Creative stonework, hardscape patios, walkways, and walls are also a specialty.

M. Hetrick Enterprises, LLC operates Hetrick Gardens Landscape & Nursery Center and Hetrick Mulch at 2620 Swamp Pike, Pottstown (between Limerick and Gilbertsville.) Please visit [www.Hetrick-Gardens.com](http://www.Hetrick-Gardens.com), stop by during business hours, or call 610.327.9066.
