Providence Place Senior Living

Providence Place Senior Living, a family-owned company, opened their newest location in August at the historic Collegeville Inn. This senior living community is pet-friendly and offers independent living, assisted living, along with two levels of memory support programs. Featuring a beautiful setting on 20 acres overlooking the Perkiomen Creek, Providence Place Senior Living of Collegeville offers the chance to live in one of the area's most beloved landmarks.

A tour of the facility can showcase the home-like amenities and convenience the community offers. Residents enjoy three chef-prepared meals per day in a restaurant-style setting, as well as daily activities and regular off-campus outings. Transportation is available to residents and is included in the monthly fee. Residents can stay active and enjoy the scenic walking path along the creek daily.

The property, located at 4000 Ridge Pike, is open and welcoming new residents into the brand-new apartments. Floor plans range from studio to 1 bedroom for your specific needs. Tours are available by appointment.
