

Complete Graphics Inc

Complete Graphics Inc is a full-service graphic design and printing company with over 34 years in the printing and advertising business. Jim Rittwage Sr started CGI in the basement of his home in 1984 and expanded to what it is today with the help of his family. Alongside Jim Rittwage Sr, are his wife Phyllis, sons Jim Rittwage Jr, Mark Rittwage and daughter in-law Elaine Rittwage. Their current location at 38 East High Street allows walk in customers to experience a warm and welcoming environment, while customers from across the world can reach them via phone, email and on the web. Some of their customers have never even met them, or know where Pottstown, Pennsylvania is.

Complete Graphics has successfully integrated high-tech graphic design with basic family values, allowing a balance of home and work life. CGI brings this balance to their customers as well, allowing them to forget about large agency fees and know that one person is handling their project from start to finish.

Whether it is a project to be printed and distributed via mail, or a banner hung on display for window advertisement, it can be done at CGI.

As the world changes and technology enhances, so do the machines at CGI. We have the ability to print full color or black and white digital prints for products of various sizes and quantities. We offer commercial printing backed by service and quality that is second-to-none and wide-format printing that is unmatched by any other printer in its class. We can take your digital photograph and take it to the press in a matter of hours. From small projects to large scale projects, we are your one stop shop for all your advertising and printing needs.
