

There's an Artist in Saint Peters Village

"What in the world!?! That is probably the most common expression you will hear when people first step into C. A. Dilworth's studio/shop in the upper parking area of Saint Peters Village.

It's Tiny house. It's Re-cycle/Re-claim/Re-purpose. It's eclectic. It's Carousels? It's NUTS! There is too much to see to visit just once.

"That was part of the reason we started an OPEN HOUSE every Third Thursday of the month from

April through October," explains Christopher A. Dilworth. "'It's a Party in the Parking Lot' we say, and everyone can peek into what we've created while enjoying live music, dancing, and fun. Every time someone visits, they see something new, although it was probably here the last three times they visited."

Why Saint Peters Village? This little working studio on the hill adds one more incredible

adventure to a community almost lost in time and space. It's the perfect place to come, relax and enjoy something truly unusual.

Make an appointment or just stop in. We would love to create something with you for your unique space.

C. A. Dilworth's studio/shop is located at 3400 Saint Peters Road Saint Peters, PA 19470. For additional information, please call 484.467.0688 and visit www.secondbornpreacherkid.com.
