The Link by Mar

In February 2022, Marisela Turner's family faced the devastating loss of her older brother, who passed away unexpectedly at the age of 43. With no life insurance policy to cover the funeral expenses, the family came together to manage the costs, including the search for an affordable space to gather after the service. The lack of reasonably priced venues in Pottstown, where Marisa's family and friends could comfortably come together, was a major challenge. This experience left her deeply troubled, especially knowing that many others in her community faced the same difficulties. She realized that Pottstown needed an accessible, affordable space for people to gather during life's important moments. Inspired by the absence of such a resource, Marisela decided to create

located at 17 North Hanover Street in downtown Pottstown. Her mission is to create a place where our community can come together, supporting each other in love and positivity, and to help make Pottstown a more connected, thriving community once again.

Whether for a funeral repast, baby shower, meeting, or celebration, Marisela's goal is to offer a welcoming and private space that fosters connection and positivity. She strives to be a supportive link in the community, helping to bring people together and restore a sense of unity and belonging.

The Link by Mar will be ready to rent out by February-March, 2025. An invitational grand opening will be held to introduce the 2,000 SF space to the community in the near future. For additional information, please call 484.243.0493 or email: thelinkbymar@gmail.com.

The Link by Mar — a space that provides an intimate, affordable, and private venue for meaningful gatherings,
