## Village Architecture & Preservation

**Personalized Design Services  
 for Berks, Chester, and  
 Montgomery Counties**

Village Architecture & Preservation is your neighborhood full-service design firm. We prioritize community, history, and sustainability in helping property owners grow and improve their homes and businesses. VA&P's specialty is *creative solutions for unique building challenges*.

**VA&P knows Buildings.** Drawing on 25 years of experience in architectural design and historic preservation consulting, VA&P provides: Schematic Designs for project budgeting; Construction Documents for building permit approvals; Condition Assessment Reports for repairing and maintaining historic structures; and Code Compliance Summaries for identifying necessary upgrades in renovation projects. Recent, exciting local projects include: *Rhoads Opera Farm to Table Restaurant, Althouse Arboretum Greenhouse Classroom, The Alley Pizza Kitchen & Bar, Union Township Municipal Complex Meeting Room Rehabilitation, Salon Aspire Fitout, Lansdale Freight House Rehabilitation*, and numerous residential projects throughout Montgomery, Berks, and Chester Counties.

**Let's Work Together.** Whether you own a home needing updates or expansion, a new business location needing renovation or fitout, a school or church needing facility or accessibility upgrades, or a new site to build your dream home, **Village Architecture & Preservation** provides exceptional, custom design and documentation services to achieve your goals. VA&P prioritizes client

relationships and creative solutions for long-term building use, efficiency, and maintenance concerns. Through collaborative relationships with talented builders and specialized design consultants, VA&P can assemble a personalized, experienced team to meet your project's needs.

Contact VA&P Founder and Principal Architect, **Jessica Zeigler-Cihlar** (AIA,

LEED AP BD+C) for your next home or business project. You'll receive a complimentary consultation to discuss your project objectives, customized design services tailored to your personal needs and property conditions, and detail-oriented documentation to achieve quality end results. When you work with **Village Architecture & Preservation**, you are part of our team, collectively dedicated to your project's success — every step of the way.
