BUSINESS PROFILE

Sanatoga Animal Hospital, LLC

With quality care, a friendly staff, and a loving doctor, Sanatoga Animal Hospital is the place for your pet. Located at the corner of Park Road and High Street in Sanatoga, just off of Route 422, the staff works hard, in order to assure the safety of your pet. The hospital has been accredited by the American Animal Hospital Association (AAHA) since 1990. AAHA accreditation ensures that a hospital meets high standards in dentistry, diagnostic imagery, laboratory testing, surgery, pain management, pharmacy, and patient care. Only 12 percent of veterinary practices in the United States of America and Canada voluntarily allow on-site inspection by AAHA to establish and maintain these standards.

Dr. Jitendra Sharma, DVM and the team at Sanatoga Animal Hospital provide loving care and compassion. They have state of the art equipment. The services offered include dental care, diagnostics, surgery, radiology, and general preventive patient care. A comprehensive approach is emphasized in treating patients. Routine surgeries such as spay and neuter or tumor

removal are performed with laser technology. Laser surgery is less painful for the patient and allows a faster recovery. Peri- and postoperative pain management is achieved through pharmaceutical as well as therapeutic laser treatment.

Sanatoga Animal Hospital has been voted multiple times as The Best Animal Hospital in *Mercury's Readers Choice*. Sanatoga Animal Hospital is open Monday through Saturday. For more information and coupons please visit www.sanatogavet.com.
