Reppert's Candy

Operating out of a 12,000 square foot facility in Oley Township, Reppert's Candy offers more than 65 varieties of candy and approximately 200 different style chocolate molds. Following is a testimonial from one of Reppert's Candy's valued employees:

"My name is Ashley, and I have been an employee at Reppert's Candy for More than seven years. Reppert's Candy is special to me because it fosters an exceptional work environment! Everyone gets along great with one another, and there is always plenty of smiles and laughs throughout my workday.

"The making of the chocolate is very remarkable in the fact that each piece is unique when it is packed. Over the years of being an employee, I have had the opportunity to grow close relationships with my coworkers and my boss, Keith. Jean, the previous owner of Reppert's Candy, has made a special impact on my life. Her positivity and warmth helped to promote a safe work environment. Brett, the supervisor of Repperts, and a close friend of mine, has helped me with any questions or concerns I had throughout my journey as an employee.

"Lastly, I find Reppert's Candy special in the way that I have had the opportunity to grow and make bonds with the customers. Over the years, I had put together favors for weddings, bridal showers, baby showers, and many more events. These are some of the reasons why I find Reppert's Candy special to my heart!"
