## H & F Tire Service

With fall and winter around the corner, it's probably time to prepare for driving in difficult conditions. H & F Tire Service can help make sure your vehicle and its tires are ready for the challenges of winter driving. A car tire has to carry more than 50 times its own weight and steer the vehicle in a straight path regardless of road and weather conditions. It also must absorb bumps on uneven road surfaces and provide a stable ride for you and your passengers. Tires transmit the engine's power to accelerate and the braking force to stop. How well your tires perform these functions depends in part on the quality of the tires and how well they are maintained.

Let H & F Tire Service check your tires' inflation, alignment and determine if any need replaced. In the long run, cheap tires won't save you money. They don't last as long as higher quality tires and may result in a rougher ride and inferior handling. Your goal in tire shopping should be to find the highest quality tire that meets your specific need and budget. H & F Tire Service carries 13 brands including Bridgestone, Firestone, Goodyear, Michelin, B.F. Goodrich. Let our tire professionals help you maintain your tires and choose the right tire for your vehicle. Check us out at any of our four locations: Pottstown, Lancaster Ephrata, and Reading or on the web at [www.hftire.com](http://www.hftire.com).

## Two Great Car Washes are here to serve: The Pottstown Auto Wash and Detail Center and West Norriton Auto Wash and Detail Center

The Pottstown and West Norriton Auto Washes and Detail Centers are committed to customer satisfaction and provide a level of service which surpasses most car washes in the area.

The West Norriton Autowash and Detail Center was opened in June 2004, and the Pottstown facility was opened in July, 2011. Both locations are supported by great teams of employees who take pride in their work and have grown a very, devoted customer base. These state-of-the-art facilities are equipped with the latest energy efficient, soft cloth equipment and use environmentally friendly chemicals. The attention to detail and level of service from the basic exterior wash to complete full service details will exceed your every expectation. Both locations operate with the motto: *If you are not satisfied with any aspect of your car wash experience, please let one of our service advisors or managers know and we will make it right. If you are satisfied, please tell your friends, family and colleagues about us!* Once you get to know the staff, it feels more like a car wash club than just an ordinary car wash because the staff are happy to help out in any way they can.

Both locations are a family owned and operated businesses, and one of the owners lives right in Phoenixville. The businesses also support the local communities by holding fundraisers and providing donations to many local charities and organizations. Please feel free to stop by either location to tour the facility, try the services, or just

ask questions. You can also use their websites, [www.PottstownAutowash.com](http://www.PottstownAutowash.com) and [www.WestNorritonAutowash.com](http://www.WestNorritonAutowash.com) to contact the owners and managers at any time.

Here are some great reasons to visit both the West Norriton and Pottstown Auto Washes and Detail Centers.

**Benefit #1: You'll Protect Your Investment** – If you do not wash your car at least once or twice a month, your vehicle is suffering from environmental damage more and more each day!

**Benefit #2: Using a properly operated car wash is Environmentally Friendly** – Modern professional car washes use water efficient equipment and recycling systems to clean vehicles thoroughly, while conserving water.

**Benefit #3: Emotional Satisfaction** – Most people view their vehicles as a reflection of personality or status. Regardless of what your car means to you, most of us feel a sense of pride when our car is clean.
