

MUHLENBERG GREENE ARCHITECTS WELCOMES NEW PROJECT MANAGER

Grace Cai, AIA, NCARB, Joins Muhlenberg Greene Team of Architects

Muhlenberg Greene Architects is pleased to announce that Grace Cai, AIA, has joined our firm as a Project Architect.

Cai brings to MG Architects over 15 years' architectural design and construction management experience.

At Muhlenberg Greene, she will oversee projects from initial planning and schematic design through construction completion.

Grace earned a Bachelor of Architecture degree from Florida Atlantic University in 2004 and a Bachelor of Building Engineering, specializing in structural design and construction management, with a second degree in Interior Design, from Tonji University in China. A registered architect in Pennsylvania and Florida, Ms. Cai specializes in Commercial Architecture, Construction Documentation and Administration.

Fluent in Chinese, Grace was born in China, and moved to the United States. She lived in Florida and Ohio previously, and currently resides in Chester County, PA with her husband, and their daughter.

Ms. Cai will work out of the firm's Wyomissing office, but as customary, she

will support projects throughout the firm's service area, including eight states (Pennsylvania, Delaware, New Jersey, New York, Maryland, South Carolina, Virginia, Vermont) and the District of Columbia.

Muhlenberg Greene Architects has been providing design, planning, and construction administration services for this area and surrounding states for over 100 years. Celebrating a century of business in the county, the staff at MG Architects have developed strong ties to the local community, including serving on a variety of Boards and other volunteer roles. We are honored to have Grace join us as part of our team!
