

FOCUS ON TAX PLANNING & PREPARATION

Dorothy Brower, Riskfree Tax & Advisory

Riskfree Tax & Advisory was born of a dream by Robert Emrich, Jr., CPA and me, Dorothy Brower his Business Manager and owner of Financial Growth Concepts, LLC. Unfortunately, Robert passed away from cancer in October 2023.

Formally located in Downingtown, PA, I now have a home office in Royersford, PA. I continue to service Rob's clients with their Bookkeeping, Payroll, and Income Tax Preparation needs. Catering to both businesses and individuals, I strive to keep Rob's dream alive by providing top-notch customer service in an entirely secure virtual cloud-based environment.

Tax season is here and if you are looking for inexpensive tax return preparation that

includes expert advice, federal, state, local tax forms, and free e-filing, look no further! My goal is to provide a professional product for an affordable price. There are also many specialty services listed on my website so check them out!

I also specialize in QuickBooks clean-up or setup and maintaining your books through tax return prep. Payroll is another service that I provide to take away your headache! There are also Human Resources services as an add on to payroll. No business is too small for our quality service standards.
