## Haly Home Comfort's Love of the Customer

Haly Home Comfort is a Malvern-based business that has been serving customers for over 30 years in Chester, Montgomery, Bucks and Delaware counties. Keeping customers comfortable is the goal they reach for every single day.

After a cold winter keeping customers warm, Haly Home Comfort and their sister company Great Valley Propane are thinking ahead for warmer weather- and warm weather activities like swimming, grilling, and relaxing! They are offering several specials for new home comfort systems as low as \$64.99 a month, restrictions apply so they urge people to call 610-251-0342 for complete details. And for new service customers, an AC or Heat Pump tune up is just \$59.99.

Great Valley Propane offers propane for your pools, grills, and generators. Haly Home Comfort is a one-stop shop for all home equipment needed to stay comfortable- AC, hot water heaters, boilers, furnaces. Plus, they perform oil to propane

tank conversions if you are looking for a cleaner, less expensive fuel for heating and cooking.

Haly Home Comfort also works with local construction firms, offering dumpsters at affordable prices by the week and offer propane for homes during construction at NO charge.

Haly Home's Comfort service people are the reason customers love to work with Haly- they know they only have to make one call to get their home comfort taken care of, and they know they will always speak to someone they know.

Haly keeps people warm in the winter and cool in the summer, and install generators for stormy or wintery weather. Plus, Haly offers a referral program- refer a friend and get a \$100 credit on your account, plus your friend benefits with \$100 too.
