I was so pleased with the promptness, professionalism, and honesty with which Greg conducted the business of repairing our garage door. We had similar work done on our other garage door last year and was charged nearly double what Greg/B&C Garage Doors charged us. I will recommend B&C to all my friends, family, & neighbors. B&C Garage Doors will be our "go to" for all our garage door needs

Very friendly, they came when they said they would, provided an estimate, said how long it would take. Was done on time and for exact amount. Awesome service. Would recommend them!
