

# French Creek Aesthetics

Fall is finally here! The rush of getting your kids back into the routine of school and sports is always a challenge. Now is the best time to start focusing on yourself and achieve the beautiful facial glow you've always wanted. Since lazy dog days of summer are behind us, now is the opportune time to shed that summer facial skin. Here at French Creek Aesthetics, we offer a variety of cosmetic treatments to reverse the signs of aging.

Microneedling is a minimally invasive procedure that is used to treat skin concerns via collagen production. It can be used in certain anti-aging procedures and reduce the appearance of age spots. Microneedling is also effective in treating acne scars and stretchmarks. Microneedling with PRP is another treatment we offer. It is the same process as microneedling but used in combination with Platelet-Rich Plasma (PRP). PRP is harvested from the patient's own blood and restored into the skin's tissue during the microneedling process. PRP helps speed the healing process while allowing for deep absorption for a much more enhanced result. Microneedling with PRP treats fine lines and wrinkles as well as hyperpigmentation, sun damage, and acne scars.

Dermablading is another therapeutic service offered at French Creek Aesthetics. Dermablading is an exfoliating facial treatment and less abrasive than chemical peels. It's a perfect choice for those with extremely sensitive skin and fine facial hair.

Looking to refresh? Don't hesitate to try one of the variety of facials we offer. Our French Creek Signature facial is calming and custom-designed to provide just the right care for your specific needs. The rush of the holiday season will be here before you know it. Take the time to enhance the glow of your skin. We offer price packaging and gift cards for those hard to please individuals on your holiday list. Check out all the services and treatments FCA has to offer at [www.FrenchCreekAesthetics.com](http://www.FrenchCreekAesthetics.com) or visit us at 45 S. Pine St. Elverson, PA.
