

## Berks Digital, Inc. — Celebrating 17 Years in business.

A family-owned design and printing firm founded in 2005, Berks Digital has grown and continues to invest in the state-of-the-art printing technologies. Dedicated to excellence, Berks Digital recently updated their printers and added computerized large format cutting by COLEX® for custom shape cutting of signs, decals, displays and added automation and accuracy in finishing.

Offerings include small format printed materials that businesses use, such as brochures, flyers, and mailings. Large-format printing includes banners, displays, decals and store signage.

“With a focus on quality and customer service our customers rely on our expertise to make print buying pleasant and affordable,” said co-owner Gary Brown.
