Q: Are there any Waterproof floors?

A: Yes! Waterproof Floors are the fastest-growing category that includes many Sheet Vinyl and Luxury Vinyl Tile and Plank options, not to mention inherently Waterproof Porcelain and Ceramic Tiles. But it doesn't end there as we now also stock many Waterproof Laminate Floors.

Q: How many flooring options are there?

The Carpet & Tile Mart Flooring Super Center located at 351 W. Schuylkill Road in North Coventry Township.

A: We have thousands of area rugs, miles of the finest tile and natural stone, durable luxury vinyl tile, hardwood flooring from the USA, and of course the largest selection of carpet around. The best part is it's all in-stock at Carpet & Tile Mart! You can take most new floors home today. Or if you prefer we'll deliver it to your home. We also offer professional installation services on all of our floors. Pick, pay, take it away, or we'll install it as soon as you say!

Q: How does Carpet & Tile Mart keep prices so low?

A: We buy direct from mills and manufacturers for all flooring categories, eliminating middleman and mark-ups that are normally associated with flooring franchise stores, big-box home center flooring departments and floor covering buying group operations. Working closely with the mills and flooring suppliers for decades, we have also been able to maintain a superior product-quality level that other 'flooring liquidators' cannot match. Our long-standing history with these vendors, and a unique liquid position in the marketplace, allows our buyers to negotiate and buy at deep discounts, and obtain goods or special limited deals not readily available to other retailers.

Combined, this cost and pricing advantage has allowed us to pass all those savings on to our customers with products and prices you can't find anywhere else.

Q: When is it time to replace our floors?

A: There is no exact answer as it really depends on the type of floor and the amount of daily foot traffic. Take a quick look at your floors. Do they look worn down, or not as vibrant as when they were first put in? Have they definitely seen better days? It's time to consider updating your floors. Stop in to Carpet & Tile Mart today and let our professionally trained Flooring Consultants help assess your needs and get you the new floors your home deserves.
